

## Dakar

DAKAR is a chromium and vacuum-tanned full-inherited animal leather with wax on top. This finish gives the leather a sporty and classic look with an unbelievable soft touch that adds a harmonious look to the leather. One of 32 fashionable colours is the most suitable one for most people and therefore a popular and sought-after quality for selected designer furniture. In addition to one of the few leather grades with Eco-tex certification, the body is a must.

DAKAR is an order item with delivery time for about 10 workdays.

Deviation of colour may occur as it is an anilin leather.
